How to wrangle your blocks into a finished quilt top

Our very own stars of the M&M So Charming Facebook group, Marjorie Mulla and Mary Nielsen will teach methods and techniques for combining random blocks into a cohesive unit to create a quilt top that “Works”. You will leave with the skills necessary to accomplish what you once thought impossible. Fun and educational for anybody who has ever made a block (or 12) that ended up being an orphan.

Class will start at 12:30 pm so pack a lunch to eat after the General Meeting and stay for a fun class.

Supplies:

Orphan blocks and/or BOM blocks

Graph paper

Colored pencils

Camera (phone camera will do)

Variety of fabrics - no smaller than a fat quarter (neutrals, darks, small prints, stripes, etc.)

Cutting mat and rotary cutter (optional)

Sewing machine (optional)

Cost to members is \$10, shall be paid at the time of registration, and is not refundable. You can sign up and pay in person during our General Meetings in March and April or online starting at the end of March.
